

HAYWARD®
VIPER™
High Performance Cleaner

Dirt: Be afraid. Be very afraid.

Introducing the Hayward® **VIPER™ High Performance** Pressure Cleaner. With a 41% wider vacuum nozzle, a large 6-quart debris bag and a highly effective sweep hose, it makes quick work of the most difficult debris. And with programmable AquaDrive™ propulsion, it covers the pool better, spends more time cleaning and eliminates wear on vinyl liners.

The benefits of Viper cleaning technology.

Cleaning path is the widest in the industry – 41% wider than the competition – for the industry’s fastest clean.

Large intake capacity handles everything from dirt and leaves to acorns, twigs, pebbles and more!

Highly effective sweep hose gets sand off of steps and out of tight corners.

Programmable backup and rotate provide better pool coverage.

Large 6-quart debris bag provides customer convenience.

Aqua Drive™ technology spends less time backing up and more time cleaning.

Power from water jet propulsion means no power-driven wheels to harm pool liners.

	Hayward Viper	Polaris 380	Letro Platinum
Bag Capacity	6 quarts	2.5 quarts	5.5 quarts
